

Ennerdale & Kinniside Show 27th August

Miriam and I attended the Ennerdale & Kinniside show on Wednesday 27th August along with Frank & Jean Wilson.

As we set off from Cockermouth it was a beautiful morning, sun shining, clear blue skies.

Frank deciding to give his newly restored Morris traveler a well deserved run out.

On arrival at the show we received a warm welcome from the hosts and were directed to the vintage area where there was a good mix of car's, motorbikes, tractors and stationary engines/farming equipment.

The vehicle that took my immediate attention was this post office Morris van FGN 202 (first one that I have seen over the many years of attending classic shows) although I seem to vaguely remember them when I was a boy, the owner even came in the appropriate dress for the period.

which caught my eye were the 1932 Riley Alpine RM 8545 and the Riley 9 Monaco 1935 OS 4076 (which won the car of the show) both of these cars are owned locally owned lovely cars.

This is a great friendly show with plenty other things going on, horse show of which Frank & Jeans grand daughter Alexy got a first and third in her class, Cumberland

wrestling, sheep & more sheep, local foods & crafts which kept Miriam occupied for a good part of the day.

We will certainly consider attending again next year.
