

## *Loweswater Show*

*7<sup>th</sup> September*

*Having enjoyed the Ennerdale show so much Miriam & I decided to give the Loweswater show a try and were pleased we did as this was another great event with plenty to see and do.*

*Again it was a beautiful sunny day which makes all the difference*

*There was a good display of vehicles and the 1932 Riley Alpine Tourer RM 8545 that was at the Ennerdale show turned up, I spoke with the owner Gwyn Evans who told me that he bought the car in 1963 for £55 and had completely restored it*

*over the years, and believes that there is no more than 6 left in existence, Fantastic car. Again there was plenty of other things going on this was probably a bigger version of Ennerdale show, it was*

*interesting that there were teams From Iceland and France that came over to participate in the Cumberland wrestling (they won most of the medals between them)*

*I have included a selection of photos of the show's which I hope will give you some idea of what the show is about, you never know you may consider coming along next year.*

*We had a wonderful day and will be putting this in our diary for next year.*
